

To whom it may concern,

My name is Alexandra Matlock. I am the President and Founder of ContigoCreative, LLC a full service PR / Advertising Latino agency in Memphis, Latino and women owned. I am writing this letter to support Manuel Duran who I know for many years and I have had the privilege to work with him during different of my projects.

Manuel has demonstrated to be a person truly committed to his community and to keep us all informed of news in our community. I consider Manuel to be highly professional person who operates with great integrity and always very respectful of others. I am deeply sad for his unfair arrest during covering a peaceful protest. I personally join my voice to the voices of hundreds of Latinos asking for his freedom. As a community, we need Manuel back to let him continue his amazing job as a journalist for the Memphis and Mid-South Latino community.

Thank you for your consideration,

Sincerely,
